& Padron mio Colendissimo.

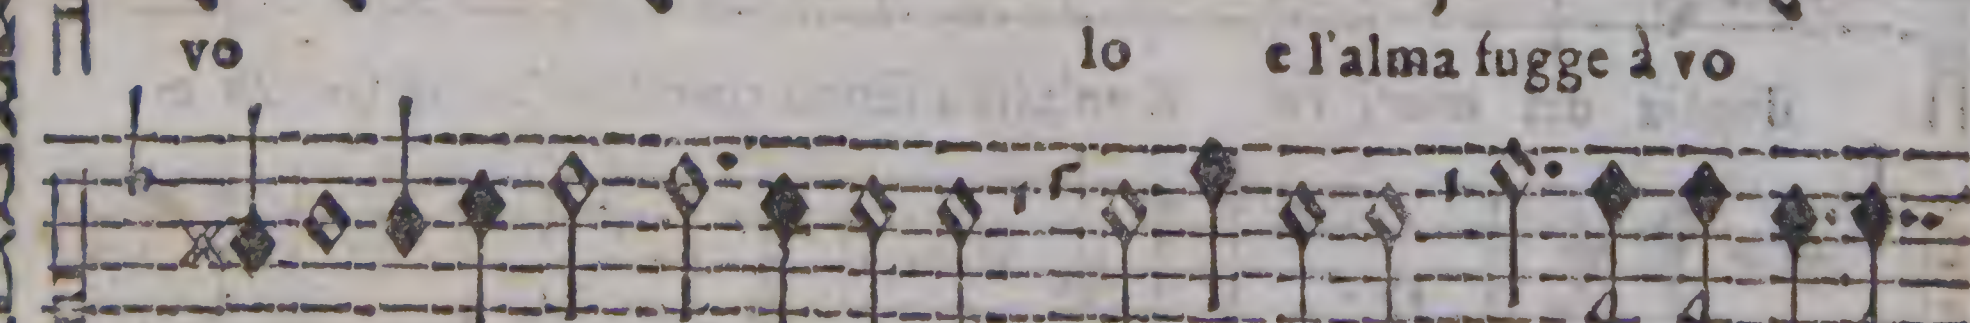

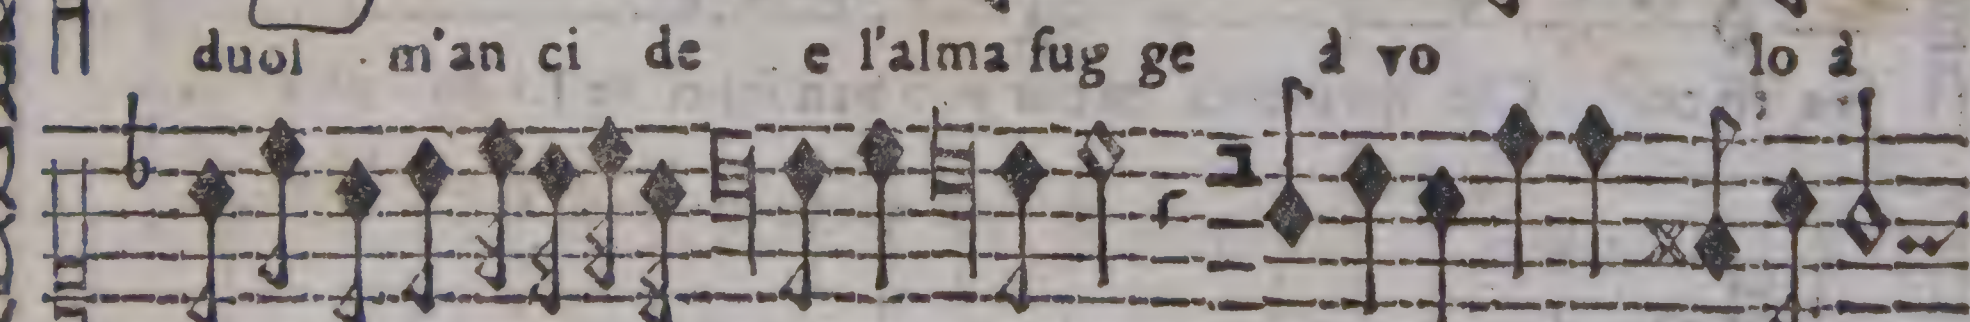

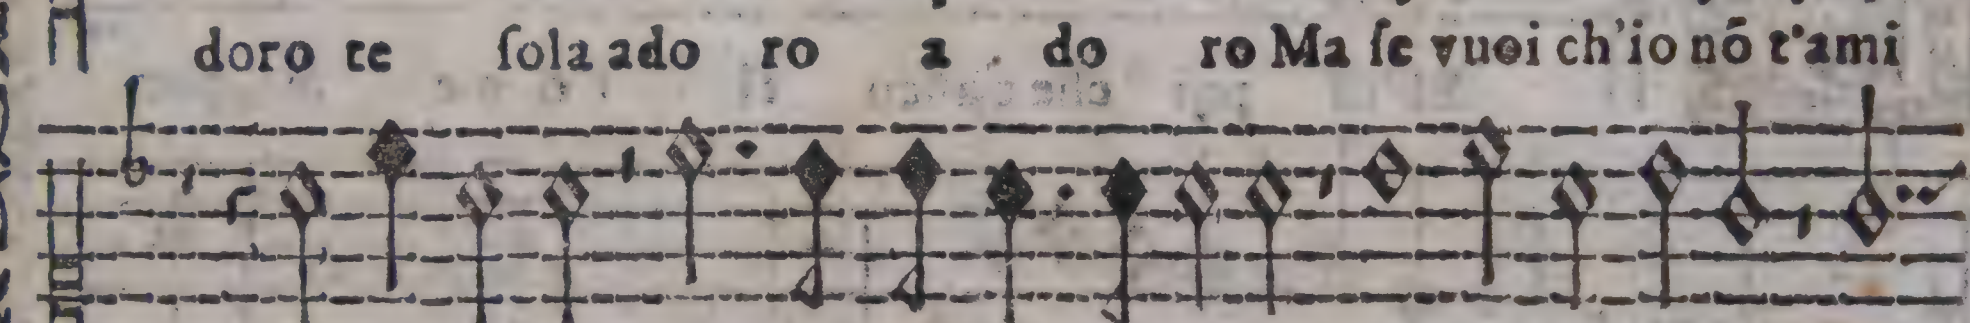

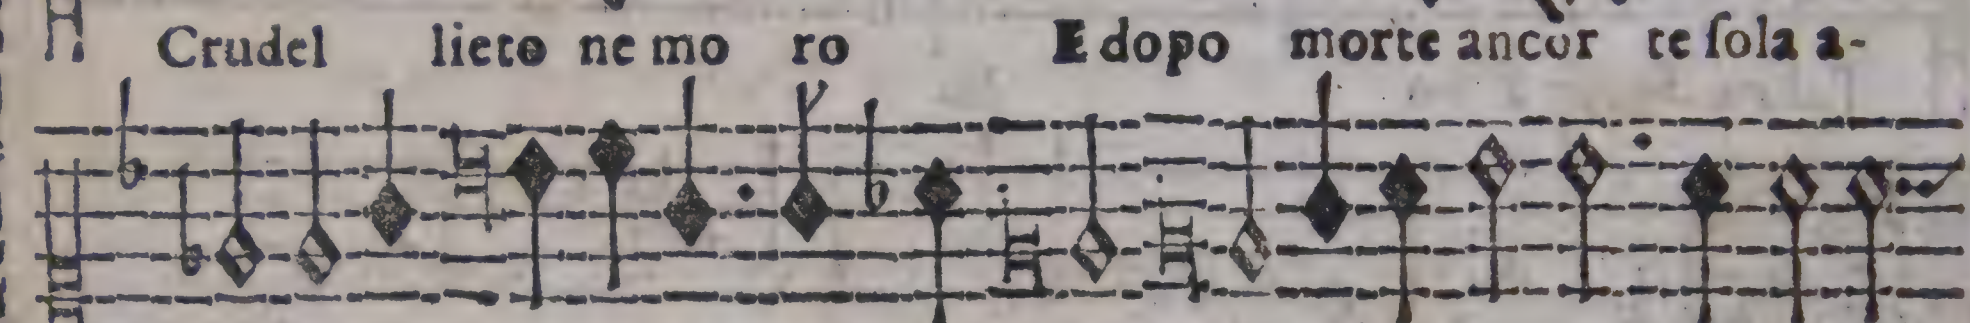

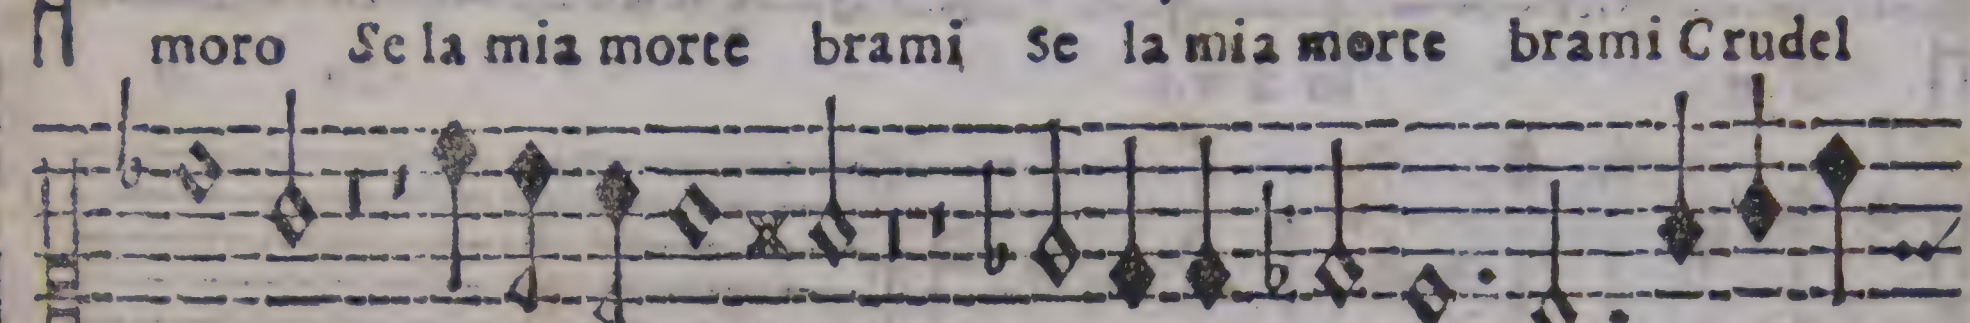

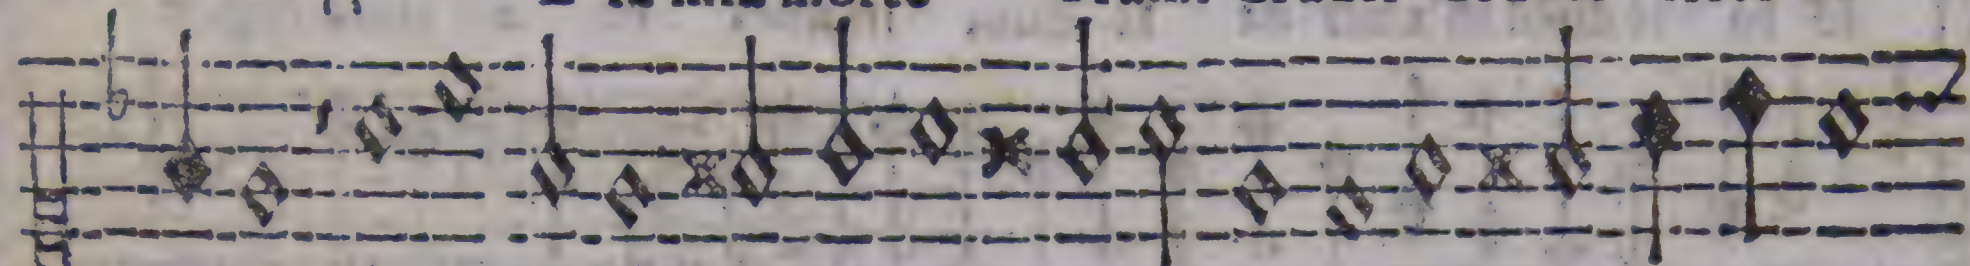

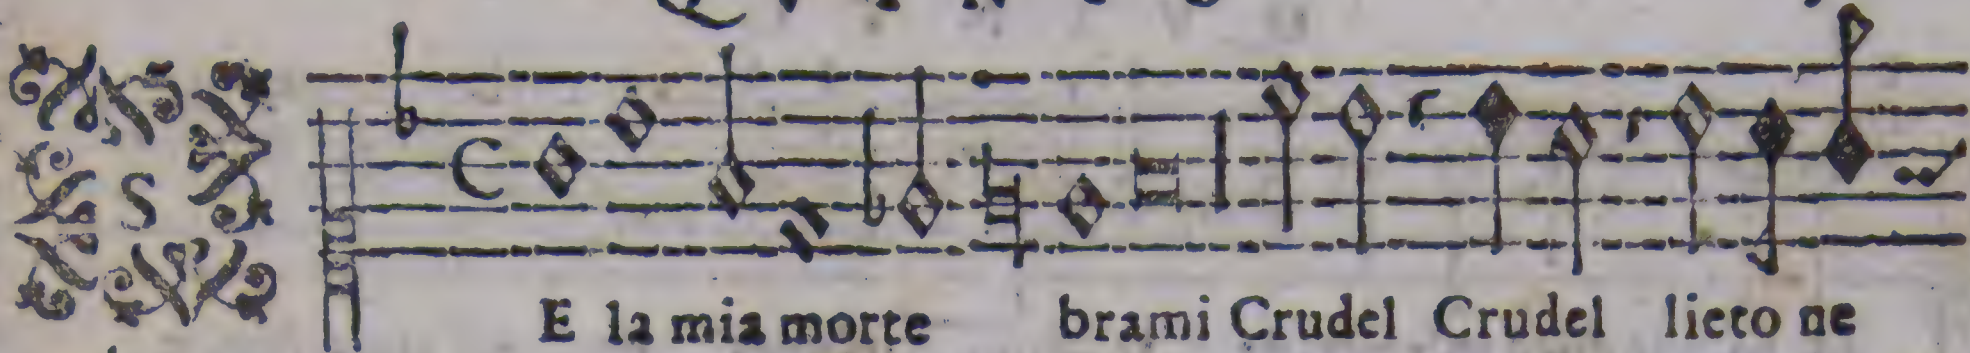

V E S T I Madrigali della festa muta furono composti da *V. E.* nelli medesimi anni, che furono quelli della quinta; e perciò questi ancora sono stati aspettati con grandissimo desiderio dal mondo sì lungo tempo, & hanno corso l'istessa fortuna con quelli, in andar per le mani d'alcuni trascritti infedelmente, & in patir furti di molti belli passi loro: onde io per le istesse cagioni, che mi mosser a mandar alla Stampa quelli, mando hora in luce questi, & con l'istessa confidenza, che *V. E.* sia almeno per far gratioso passaggio di questo mio nuouo ardire, vengo à presentarglieli, & con profonda riverenza bacio à *V. E.* le mani. Di Gesualdo à 25. di Luglio. 1611.

TAVOLA.

	E la mia morte brami.	5
	Beltà poi che t'assenti.	4
	Tu piangi ò Fille mia.	3
	Resta di darmi noia.	7
	Chiara risplender suole.	8
	Io parto e non più dissi che'l dolore.	9
	Mille volte il dì moro.	11
	O dolce mio tesoro.	12
	Deh come in van sospiro.	13
	Io pur respiro in così gran dolore.	14
	Alme d'Amor rubelle.	15
	Candido e verde fiore.	16
	Ardita Zanzaretta.	17
	Ardo per te mio bene.	18
	Ancide sol la Morte.	20
	Quel nò crudel che la mia speme ancise.	21
	Moro lasso al mio duolo.	22
	Volan quasi farfalle à i vostri almi splendori.	23
	Al mio gioir il Ciel si fa sereno.	25
	Tu segui ò bella Clori.	26
	Anchor che per amarti,	27
	Già pianfi nel dolore.	29
	Quando ridente e bella.	31
